Te Roopu Taurima O Manukau Trust provides support for people with high and complex needs, including people with serious mental illness and at least one other complicating factor such as a brain injury, medical fragility, acquired cognitive impairment, or intellectual disability.

Our qualified kaimahi (caregivers) understand the needs of those with difficulties in these areas, and focus on helping tangata whaiora (clients) achieve the best quality of life.

With a strong emphasis on improving tangata whaiora lifestyles, this service provides opportunities for integration and participation in activities based on personal goals.

Recovery Orientated Community Based Intensive Support Rehabilitation Services are provided via a contract with Northern DHB and are primarily based in Whangarei. This service supports people who present with a mental health related diagnosis.

*Supporting a life of choice*

## **Our mission** “Mokopuna Choice”

It's about mokopuna and providing them with choices towards their own self-independence and quality of life.

## **Our vision** “Manaaki Mokopuna”

It's about improving the standard of care and wellbeing of mokopuna. After all, happy and content mokopuna, whanau, and communities are the very foundation of our country's prosperity.

## **Referrals Process**

Referrals to Te Roopu Taurima O Manukau Trust are made by the Northland District Health Board.

In order to be referred, mokopuna/tangata whaiora must have mental health as a primary diagnosis.
