COVID-19/Coronavirus

14 February 2021

Kia ora koutou katoa

Tāmaki Makaurau/Auckland is in Alert Level 3 for the Next Three Days

There are three community Covid-19 cases in Tāmaki Makaurau. The Auckland office will be closed and office staff will be working remotely. All whare in Tāmaki Makaurau will be back in their bubbles with no visitors at the whare without an appointment. Trips outside of the whare are for essential errands only. Kaimahi with vulnerable health conditions need to apply for leave in the usual way if you wish to stay at home.

Please check whether you, members of your whānau or tāngata have visited the locations in the link below at the specified times. Locations of interest stretch from East and South Auckland, Otorohanga and New Plymouth so far. This also includes staff who have members of their households who attend Papatoetoe High School.

<https://www.health.govt.nz/our-work/diseases-and-conditions/covid-19-novel-coronavirus/covid-19-health-advice-public/contact-tracing-covid-19/covid-19-contact-tracing-locations-interest#current>

Any contact at any of the locations on the day and at the times listed means you will need to self-isolate and get a Covid-19 test.

Everywhere else outside of Tāmaki Makaurau is at Alert Level 2.

At both levels 2 and 3 you must:

- Have contact tracing information readily available in case it is needed in relation to this latest breakout of Covid-19 in the community
- Keep using QR Codes and tracing your whereabouts, and if you work with tāngata, their whereabouts. Also remind whānau of tāngata to keep up their contact tracing
- Continue to regularly wash your hands, cough and sneeze into your elbow and wipe down shared surfaces
- Keep 2 metres distance in public and wear a face covering.

Guidance

- Healthline 0800 611 116 – stay home if you are sick
